Police Verification (PV) Procedures

Pre-PV, Post-PV, PV-Exempt Classification, CCTNS Workflow & Home Visit Process

Document Code	KB-PASS-003
Version	v1.0
Category	Police Verification
Audience	Applicant, Official (PSK/RPO/PV Cell)
Effective Date	01-April-2024
Review Frequency	Annual (or when policy changes)
Approved By	PSK Operations Leadership & Legal
Classification	Confidential — PSK/RPO Internal Use Only
KB Ingestion Tags	doc_type=police_verification, audience=applicant official, version=v1.0

1. Purpose & Scope

This document defines the police verification (PV) framework under the Passport Seva Programme, including pre-PV and post-PV classification, PV-exempt categories, the CCTNS-based dispatch workflow, the home-visit process, and inter-state PV coordination. It is the authoritative reference for RPO back-office staff, Police Verification Cells, and applicants seeking to understand PV timelines.

1.1 What is Police Verification?

Police Verification (PV) is the process by which the MEA requests the local police to verify an applicant's identity, address, antecedents, and criminal record before or after issuing a passport. PV is conducted by the jurisdictional police station and dispatched electronically through the CCTNS (Crime and Criminal Tracking Network & Systems).

2. PV Classification

2.1 Classification Decision Table

The PV type (Pre-PV, Post-PV, or PV-Exempt) is determined by the application category and applicant profile at the time of PSK visit.

Category / Condition	PV Type	Passport Dispatch
Fresh application — first-time applicant (general)	Pre-PV	After PV clearance received by RPO
Fresh application — applicant below 18 (minor)	Post-PV	Dispatched within 3 days of PSK visit; PV within 30 days
Renewal — same address, no adverse record	Post-PV	Dispatched first; PV within 30 days
Renewal — address changed since last passport	Pre-PV	After PV clearance at new address
Lost passport re-issue	Pre-PV	After PV clearance (mandatory)
Tatkal — normal eligibility	Post-PV	Dispatched within 3 working days; PV within 30 days
Government servant (central) with employer certificate	PV-Exempt	Dispatched without PV (employer-verified)
Diplomatic / Official passport holder	PV-Exempt	Routed through Ministry; not PSK
Senior citizens (70+ years)	Post-PV	Dispatched first; PV within 30 days
ECNR category with valid educational proof	Post-PV	Dispatched first; PV within 30 days
Court-directed applicant (writ of mandamus)	Expedited Pre-PV	15-day PV SLA applies

2.2 Pre-PV (Verification Before Issue)

In Pre-PV cases, the passport is dispatched only after the RPO receives a satisfactory verification report from the police.

Parameter	Detail
PV Request Dispatch	Within 3 working days of PSK visit; dispatched via CCTNS to SP's office
Police Verification SLA	30 working days from date of dispatch (Citizens' Charter mandate)
Escalation if PV Delayed	RPO sends reminders at Day 15 and Day 25; escalates to SP if no response by Day 28
Adverse Report	If adverse PV report received — case referred to RPO review; EscalationTool invoked
Inconclusive Report	RPO may request re-verification; applicant notified with 30-day window to resolve
Passport Dispatch	After satisfactory PV report: passport dispatched via Speed Post to registered address

2.3 Post-PV (Verification After Issue)

In Post-PV cases, the passport is dispatched within the service SLA, and police verification is completed concurrently. If the PV report is adverse, the passport may be impounded.

Parameter	Detail
Passport Dispatch	Within 3 working days (Tatkal) or 7 working days (Normal) of PSK visit
PV Request Dispatch	Within 3 working days of PSK visit, concurrent with passport dispatch
PV Completion SLA	30 working days from dispatch date (Citizens' Charter)
Adverse Post-PV Report	Passport impounded; applicant issued Show Cause Notice; right of appeal applies
Appeal Process	Applicant may appeal to RPO within 30 days of impoundment notice — see KB-PASS-005

2.4 PV-Exempt Categories

- Central government servants with Annexure F (employer certificate)
- Diplomatic and official passport holders (Type D and S)
- Renewing applicants — same address — who have held 2 or more passports without any adverse record
- Passport applicants from specific notified government institutions
- Minors below 15 years accompanied by at least one parent with a valid passport

3. CCTNS-Based PV Dispatch Workflow

The CCTNS is the national electronic platform through which RPOs dispatch PV requests to police stations and receive reports. This section is the reference for RPO officials and Police Verification Cell staff.

Step	Action	Responsible	Timeline
1	PSK visit completed; application data forwarded to RPO system	PSK System	Same day as PSK visit
2	RPO reviews application; determines PV type (Pre / Post / Exempt)	RPO Official	Within 1 working day of PSK visit
3	PV request generated in CCTNS with applicant ARN and address	RPO Official	Within 3 working days of PSK visit
4	CCTNS dispatches request to SP office of applicant's district	CCTNS System	Automatic on submission
5	SP office assigns request to jurisdictional SHO	SP Office	Within 2 working days of receipt
6	SHO assigns to Beat Officer for physical home visit	SHO	Within 3 working days of SP assignment
7	Beat Officer conducts home visit; verifies identity, address, antecedents	Beat Officer	Within 21 working days of assignment
8	Beat Officer submits report; SHO countersigns; SP countersigns	SHO / SP	Within 5 working days of visit
9	SP submits final report via CCTNS to RPO	SP Office	Within 30 working days of dispatch
10	RPO reviews report; issues passport (Pre-PV) or acts on adverse report	RPO Official	Within 3 working days of receipt

4. Home Visit Process for Applicants

The home visit is the physical verification step conducted by the Beat Officer at the applicant's registered address.

4.1 What to Expect During a Home Visit

- The Beat Officer will arrive at the applicant's registered address in uniform with official ID

- The officer will verify identity (original documents should be ready), address, and residence duration
- The officer may ask about parents, spouse, employment history, and travel history
- The officer will record the visit on the CCTNS mobile app or in writing
- The visit typically takes 15–30 minutes
- The officer will provide an acknowledgement receipt — retain this for records

4.2 Documents to Keep Ready for Home Visit

- Original passport / ARN printout from Passport Seva Portal
- Proof of residence (Aadhaar / utility bill / rent agreement)
- Proof of identity (Aadhaar / PAN / Voter ID)
- Proof of address for previous address if recently relocated

CRITICAL — PAYMENT DEMAND: If any police official demands payment for the home visit or for a favourable report, REFUSE immediately and report to the PSK helpline: 1800-258-1800 or the RPO Grievance Cell. This constitutes bribery under the Prevention of Corruption Act 1988. EscalationTool will be invoked for all such reports.

5. Inter-State PV Coordination

When an applicant's registered address is outside the PSK's RPO jurisdiction, inter-state PV coordination is required.

Scenario	Official Action / Procedure
Applicant address in another state / RPO jurisdiction	RPO routes PV request via CCTNS to the SP office of the applicant's registered district
Applicant relocated recently (within 12 months)	Dual-address PV: requests generated for both current and previous address SP offices; 45-day extended SLA
Address in CCTNS-uncovered area	Manual PV request via official letter to SP; 45-day extended SLA applies; applicant informed
Central government employee posted away from home state	Employer certificate (Annexure F) may waive PV; otherwise current-posting address PV applies
Applicant studying/working in another state	PV at registered (permanent) address; employer/institution letter may support the application

6. PV Status Tracking via ApplicationStatusTool

Applicants and officials can retrieve live PV status by providing the ARN. The ApplicationStatusTool queries the Passport Seva Portal in real time.

Status Code	Meaning	Applicant Action
PV_DISPATCHED	PV request sent to SP office; awaiting assignment	No action required; wait for home visit
PV_ASSIGNED	SP office has assigned to jurisdictional police station	Be available at registered address
PV_IN_PROGRESS	Home visit scheduled or completed; report being compiled	Ensure all documents are accessible
PV_REPORT_RECEIVED	RPO received the police report	No action required; passport being processed
PV_ADVERSE	Adverse report received; passport on hold	Contact RPO; EscalationTool invoked automatically
PV_CLEARED	Satisfactory PV report; passport dispatched	Expect Speed Post delivery within 5–7 working days

Status Code	Meaning	Applicant Action
PV_OVERDUE	PV not completed within 30 working days SLA	File grievance via KB-PASS-005 or call 1800-258-1800

7. Document Control

Document Owner	Passport Seva Operations Team — PV Cell
Review Cycle	Annual — reviewed every April
Last Reviewed	April 2024
Next Review	April 2025
Version History	v1.0 (April 2024 — Initial release for PassportSahayak AI KB)
Change Request	Submit PSK-CHG-001 to RPO Operations; approved by Joint Secretary CPV
